Dear Parents,

Our theme for November will be "A Visit to Story land". We will be focusing on Nursery Rhymes and our new puppet friend ,Mother Goose, will introduce us to her friends The Three Little Kittens who need our help to find they're mittens. And then we will help The Three Little Pigs rebuild their houses after the wolf's visit.

I am amazed at the amount of language the kids are using every day and the social skills they are practicing as they play together. We have also been having longer Circle Time/Story Time. The kids have been enjoying their favorite books (Pete the Cat and His White Shoes, Ten in The Meadow, Little Quack, Baby Bear Sees Blue, I Love You Just The Way You Are, among others).

Please stay safe over the Thanksgiving Holiday.

Happy Thanksgiving!
