

NOVEMBER

November Theme

This month, our theme is "Dinosaurs." We'll delve into the fascinating world of these ancient creatures, exploring the various types of dinosaurs, their diets, and how they are classified as carnivores, herbivores, or omnivores based on their dietary habits. We'll also learn about fossils, discovering how scientists uncover and study these preserved remains to gain a deeper understanding of dinosaur life. Through this journey, we'll get a glimpse into the prehistoric past and the lives of these incredible animals that once roamed our planet.

Color for this month is "Brown" and we will talk about the shape "Triangle".

Discovery Center

During November, we will be exploring our 5 senses: sight, touch, sound, smell, taste

Teacher-Parent Conference

We will be holding Parent-Teacher Conferences via Zoom from November 12-14. These brief meetings, lasting about 5-10 minutes, will cover your child's progress. Before the conference, we will send a report on your child's progress for you to review. This will be a great opportunity to discuss any questions or concerns you may have.

We will email you a link to select a convenient time for your meeting. We look forward to seeing you!

Dates to Remember...
