

Dear Parents,

Our theme for this month is "Autumn". We will be discussing what happens during fall; the weather changes and the leaves change colors. To help the children understand this idea better we will go on a nature walk and observe the different changes that have occurred. Also, we will discuss the things we like to do during fall.

This month is an exciting for children because it ends with a favorite dress up day for them—Halloween. We will celebrate Halloween by having a costume party on Friday, October 31. You will receive more details about the Halloween Party at a future date.

Since this is the month of Halloween, we will have two colors **ORANGE and BLACK**. Our shape for this month is **CIRCLE**. We will be making pumpkins, paint by using orange and black, leaves collages. We will have another family project for the month of October which will be sent home on Friday, October 3, 2025.

We wanted to say YAY! To you because we received a Family picture from all the children in the classroom. They enjoyed presenting their family to their classmates. Thank you for your cooperation!

Ms. Bobbi & Ms. Celine

## DATES TO REMEMBER:

Wednesday, October 8 – Pumpkin Patch

Monday, October 20 – Tife's Birthday

Tuesday, October 21 – Lydia's Birthda

Friday, October 31--- Halloween Costume Party

# October Words

orange	black
circle	fall
leaves	autumn
squirrel	acorn
Halloween	pumpkins
rake	spiders
costumes	corn
rain	hay
jacket	pinecone

Orange Song (tune: "This Old Man")

O-r-a-n-g-e,  
Orange is the color of things I see...  
Like a great big pumpkin,  
Plumps as it can be,  
O-r-a-n-g-e.

O-r-a-n-g-e,  
This orange shirt looks bright on me.  
Orange is not just a color,  
but a fruit from a tree!  
O-r-a-n-g-e.

Black Song (tune: "Baa, Baa Black Sheep")

Black cats, black sheep, b-l-a-c-k.  
Spell the color black today.  
Black are the stripes on the zebra at the zoo.  
Black is the color of licorice, too.  
Black cats, black sheep, b-l-a-c-k.  
Spell the color black today.

Circle song (tune: "London Bridge is Falling Down")

The shape made by a twirling hoop,  
bubbles blown by a group,  
a plane that flies a loop-de-loop...  
that's a circle!  
A yo-yo spinning on a string,  
or an old tire swing,  
the shape of these fun playground rings...  
that's a circle!
