

WELCOME

This month, we will be exploring "All About Me". We will discuss who we are and what makes us similar yet unique. Take some time to talk with your child about the unique physical characteristics that make them special. Is your child a boy or a girl? What makes them so? What is his/her eye color, hair color, and skin color? Who in the family shares these attributes?

Please bring in a baby picture of your child to share and display by Monday, Sep. 14. This month, we will learn about the color red and the shape of a circle.

DRAMATIC PLAY

In this area of our class, we will explore housekeeping. This includes cooking the meals and caring for the babies.

Meet and Greet

We're excited to share that we've planned a special day at school! It's a great chance to meet other parents and see the classroom where your child spends time learning and growing. We'd love for you to join us, connect with other families, and explore the classroom. The event will be on September 17th from 5:00-6:00 p.m.

DATES TO REMEMBER

- Sep. 07 Labor Day (No School)
- Sep. 17 Meet & Greet 5:00 - 6:00 pm
