

Dear Parents,

During this past month, we have worked with the letters E, F, G, and H.

We learned about the shapes of square and rectangle, in addition, we reviewed the colors of blue and purple.

The children really seemed interested in discovering the sounds of the letters and locating what objects in the room that were made of either the shapes learned or the colors reviewed.

The children and I discussed the theme of Harvest. This included smaller topics of the farm (gathering food from), supermarket(shipped to & bought) which led us to giving thanks on Thanksgiving. This unit was very successful in term of the children's understanding of the concept.

The holidays are now upon us and we have lots to do. We are going to discuss three cultural holidays. They are: Hanukkah, Christmas and Kwanzaa. If you have anything on these topics you would like to share with the class, just let me know. In addition, the letters of I, J and K will be incorporated into the lessons, as well as, the shape of star. The colors red and green will be covered

Parents, remember that the weather has changed and many children still do not have extra clothes in their clothes box. We suggest a sweater, a hat, gloves or mittens, a scarf, socks, underwear, shirts, blouses, pants and snow pants. (All should be labeled) Moreover, when your child wears boots to school, they **MUST** have a change of shoes.

There will be a Holiday show for the children this Thursday the 5th of December. The fee is \$5.00.

The classroom's holiday party will be held on the 18th. If your child is not schedule for that day they may attend. They may also bring something to share. The winter break begins December 23 to January 3, 2020. The center reopens on January 6, 2020.

Lastly, I would like to wish you all Happy Holidays, Safe and a Wonderful New Year.
