March 2020

Dear Parents,

The Penguins, and myself had a wonderful time learning and discussing the topic of Community Helpers. We explored many careers such as Police Officer, Quarter Master, Race Car Racer and Scientists just to name a few. The children really seemed to enjoy discovering the different kinds of jobs that are available for both girls and boys. I hope that we all can continue to encourage them to follow their career dreams.

Sincere thanks to all the families who helped raise funds for the Leukemia & Lymphoma Society.

For the month of March, there are a lot of things happening. First, I plan to introduce the following letters T, U, V, W and X. These letters will be integrated into the main topic which is Transportation as well as in all the learning centers. The numbers will also be reviewed. On 3-23 & 24-2020 is the class' Western Day. All children are encouraged to wear a western outfit. YEEHAW!

Our picture day is on 3-11-2020 this year. Dress to impress! Please check in your envelope for more details.

Parents please check your child’s clothes box. I know you’re busy, but many still do not have the appropriate clothing for the crazy weather we are experiencing.

Date to Remember:
3-4-2020 PAC Meeting 4:30-6 all are welcome
3-6-2020 Picture money and book fair orders due
3-11-2020 Picture Day
