Dear Parents,

This month our theme is “Spring is in the Air.” We will begin to discuss the changes in the weather and nature all around us. If the weather warm up we will begin to take more walks around the university and talk about how the grass and trees are changing because of the warmer weather. This month we will also learn about community helpers.

Our color for this month is yellow. We will also be reviewing the color green in honor of St. Patrick’s Day. **YELLOW DAY** will be on **Thursday, March 5**, as always please remember to wear or bring in something **yellow** in that day. The shape for this month is diamond.

We would like to welcome Augustin and Vanessa, and their families to our Dolphin room family. We are sad to say goodbye to Alyaan who is leaving the center.

Ms. Bobbi & Ms. Kylie

Song lyrics of the month

Yellow song (sung to: “Twinkle, twinkle, little star”)

Y-e-l-l-o-w.
Feel the rain pour down on you.
Yellow raincoats in the street…
Stomping, splashing with your feet!
Y-e-l-l-o-w.
The sun comes out and shines on you!

Diamonds (sung to: “Sing a song of sixpence”)

These cookies are like diamonds.
So are kite up in the air.
It has four sides and corners,
but they don’t make a square.
They are there when you play baseball,
and when you play with blocks.
Diamonds can be anywhere…
Even on your socks!
