

Measure: Participation in Two or More High Impact Practices (Goal 2)

General Definition:

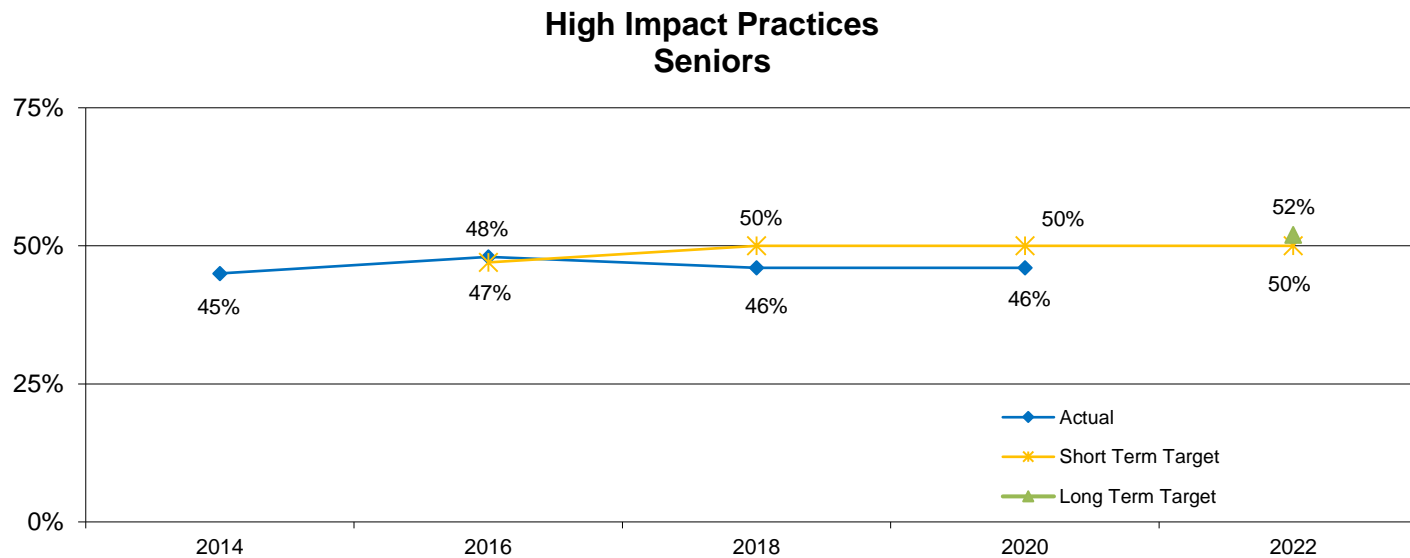

Score on the NSSE survey item that asks seniors about their participation in high impact practices (HIPs): *Learning Community, Service Learning, Research with Faculty, Internship or Field Experience, Study Abroad, and Culminating Senior Experience*. This KPI reports the percent of seniors who participated in two or more HIPs

Frame of Reference:

The frame of reference is set by Northeastern's peers who participate in the NSSE. In 2020, eight of the eleven Northeastern's peers participated, where 48% of the seniors reported participating in two or more HIPs. The long term target for the life of Northeastern's Strategic Plan is 52%. The short term target is 50%. The survey is administered every other year, at which time the short term target is reviewed and revised, if necessary.

Frequency of Measurement:

This KPI will be measured every other year.
