

Measure: Preparation for Present Job (Goal 1)

General Definition:

Item from NEIU Alumni Survey: *In general, how well did your bachelor's degree prepare you for your present job?* Data reported in this KPI are responses from alumni completing a bachelor's degree one year prior to surveying.

Frame of Reference:

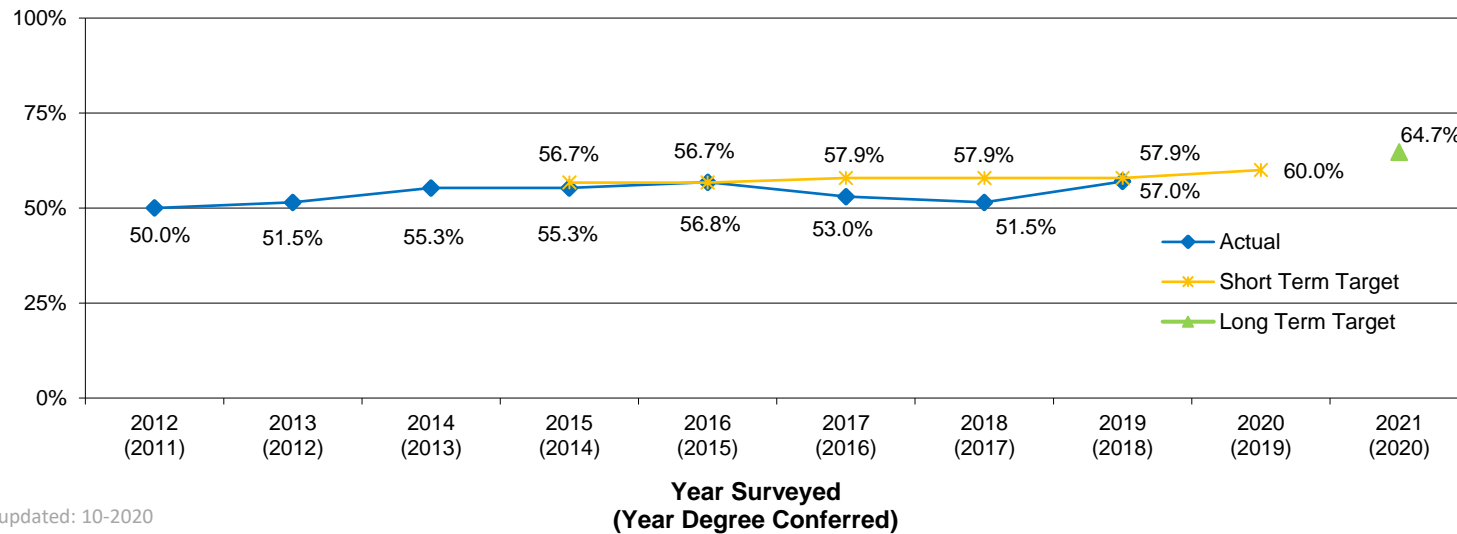

The frame of reference is set by past performance. When possible, targets are based on an average percent increase over past performance. When past performance is not available, varies, or shows a decline, institutional knowledge is used.

For this KPI, the long term target for the life of Northeastern's Strategic Plan is 64.7%. The short term target (currently 60.0%) is reviewed annually and revised if necessary.

Frequency of Measurement:

This KPI will be measured each calendar year.
