

# Measure: COBM Faculty Academically/Professionally Qualified (Goal 4)

## General Definition:

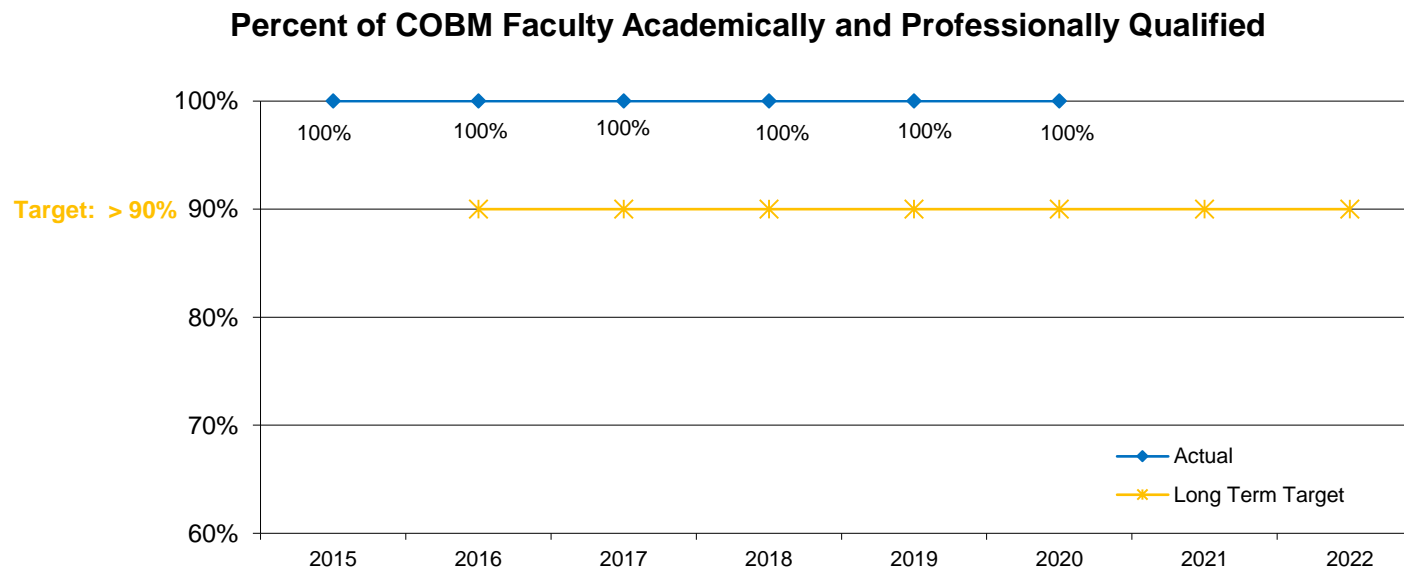

This KPI measures the percent of College of Business and Management faculty who are Academically/Professionally Qualified. Academic qualification requires degree completion, augmented by subsequent activities that maintain or establish preparation for current teaching responsibilities. For professional qualification, faculty will have current and substantial relevant work experience in the field in which they teach.

## Frame of Reference:

To align with the Association to Advance Collegiate Schools of Business (AACSB) accreditation requirements, the College of Business and Management has set 90% as the standing target, both short and long term.

## Frequency of Measurement:

This KPI is measured annually at the end of each Fiscal Year.
