

Measure: NEIU Tuition as a Percent of State Average (Goal 6)

General Definition:

This measure compares NEIU's tuition rate to the overall state average. NEIU tuition, as a percentage of the state average, is reported.

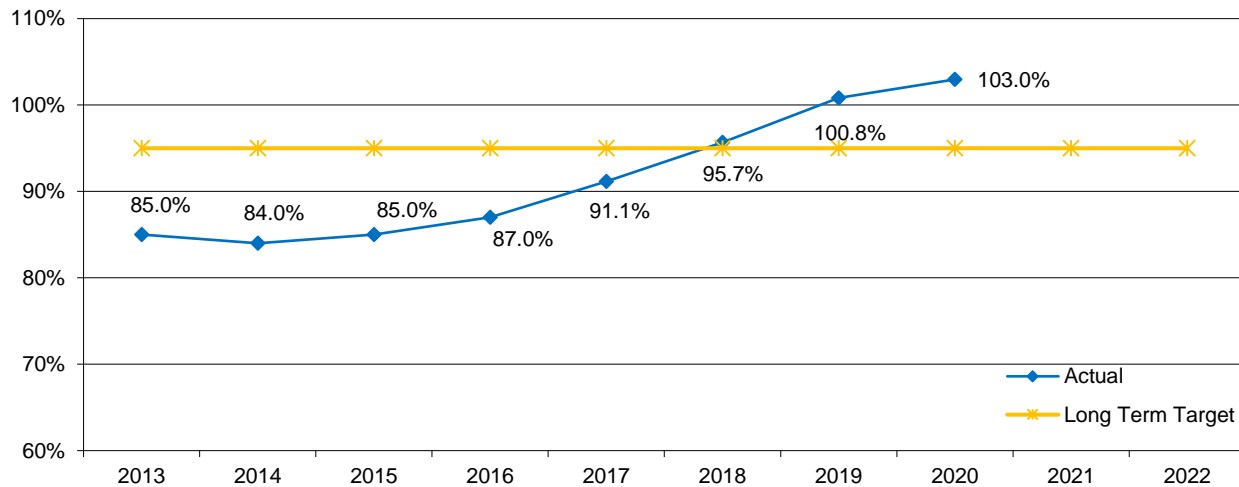

Frame of Reference:

As a standing long term target, tuition at Northeastern should be no more than 95% of the average tuition rate for the other Illinois public universities. Note that the goal for this KPI is to stay below the target.

Frequency of Measurement:

This KPI is measured annually at the end of each Fiscal Year.
