

Download the 911 Shield App

Available for Android and IOS

What is N-Safe:

When emergency situations arise, it is vital that the Northeastern Community receives news in a timely way. N-Safe is our **emergency notification system**. When you register your contact information with N-Safe, you will be on the distribution list for emergency notifications from Northeastern.

You can receive messages through email or text messages.

Benefits:

- The **"Get Help"** button will instantly call Northeastern Police, at the same time giving them your **exact location**.
- Be **instantly notified** of any campus-wide emergencies.
- Be notified of **Snow Days** and School Closures.
- Get a direct link to get a **Police Escort**.
- Submit **incident reports** to the Police, attach Photos and Videos

How do I get it?

Go to your App Store and search **"911 Shield"** make sure you register.
