

My goal is to complete my B.A. in four years while balancing other significant commitments (*i.e., career, family, etc.*)

Many Northeastern students are full-time, but only take 4 classes each semester. You can do this and still graduate in 4 years if you take classes during the Summer Session. Another alternative would be to stay for 1 additional year. Consult your advisor for assistance.

KEY											
GE-NS = General Education Requirement in Natural Science											
GE-SS = General Education Requirement in Social Science											
GE-H = General Education Requirement in Humanities											
GE-FA = General Education Requirement in Fine Arts											
GE-HI = General Education with High Impact Practices included; take during last 2 years of school											
JUST + number = required course for the major											
JUST ELE = For the major you need to take 6 JUST elective courses—your choice!											
MIN = Minor (Justice Studies has 3); typically 18 credits. Great way to beef up your resume. See your advisor for suggestions											
ELECTIVE = Any 100-level or higher course—your choice!
