

edTPA Reporting scores

SCALE/Pearson guidelines:

For complete information about scores, reporting dates, passing requirements, understanding your edTPA scores profile, retaking edTPA, and other important information, please visit:

Scores Reported to NEIU and ISBE:

Your assessment results are reported to you and to any institution that you indicated as a score recipient when you registered. If applicable, your results are also reported directly to the relevant state agency responsible for educator licensure (e.g. ISBE).

If you passed edTPA prior to *September 1, 2015* and want ISBE to receive your scores, please request an additional copy to be sent to ISBE by indicating Illinois as a recipient for your score profile in the following form:

http://www.edtpa.com/Content/Docs/TP_TestResultsRequestForm.pdf

When completing your edTPA registration, be sure to select Northeastern Illinois University as your teacher preparation program.

Request a copy of your score:

Your edTPA Score Profile will be available online as a PDF document for 12 months after the score report date. You may view, print, and save your score profile from your account during that period.

You may also request that an additional copy be sent to yourself and/or an additional state or institution by submitting a completed [edTPA Score Profile](#)

[Request Form](#) . The fee for this service is \$50 per recipient.
