

Even if you have NEIUPort credentials, but you are currently NOT registered for classes, TK20 might not let you log in, and you need to request a manual access. To do so, please email tk20-assessment-help@neiu.edu with following information:

- Your legal name
- Student ID number
- NEIU email address

Within 24 hours of sending this email you will receive a notification that your TK20 access is now ready so you can proceed with completing your application.
