

JULY

2018

Dear Parents,

June was a month filled with lots of interesting discoveries. We had lots of fun playing the games with Circus week. The zoo was nice too.

July is always lots of fun. First we celebrate our country's birthday on July 4, the center will be closed in its honor. Second, it's about dragons, then have fun outdoors, we'll become pirates. On Pirate's Cove Day all the children must wear sock. On the last week it's about music.

Parents please check your child's clothes box. The children need an extra change of clothes. They also need swim gear such as swim suit, a towel, water shoes / flip flops, sun block and a hat. Please label your child's items. I am also asking you to apply sun block on your child before class or when you first arrive. Furthermore, if your child attends swimming classes, they must come to school dressed in their swim gear. In addition, Ms. Lucia will be on vacation the last week of July.

If you have any questions please speak with Ms. Lucia or my-self. Thanks.
